

TIANRAN YANG

RANI

Audience understanding. Content operations. Communication.

MSC IN AI AND DIGITAL MEDIA

Hong Kong Baptist University

PEOPLE. CONTENT. CONNECTION.

Communication and advertising student working in digital content operations and bilingual AI learning communication across China and France.

Next: build data analysis and AI application skills on a foundation of media practice.

ENFJ / Mandarin / English B2 / French B2

LENOVO

AI LEARNING PLATFORM / MAY-JULY 2026

Supported the launch and daily operation of an internal AI learning platform, turning live sessions into reusable learning resources.

MY ROLE

Content operations, bilingual copy, promotional design, video editing, course documentation and cross-team coordination.

10,000+

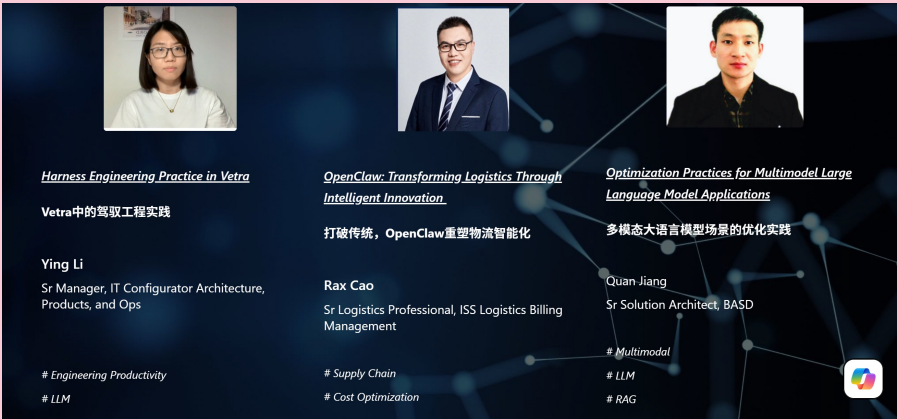

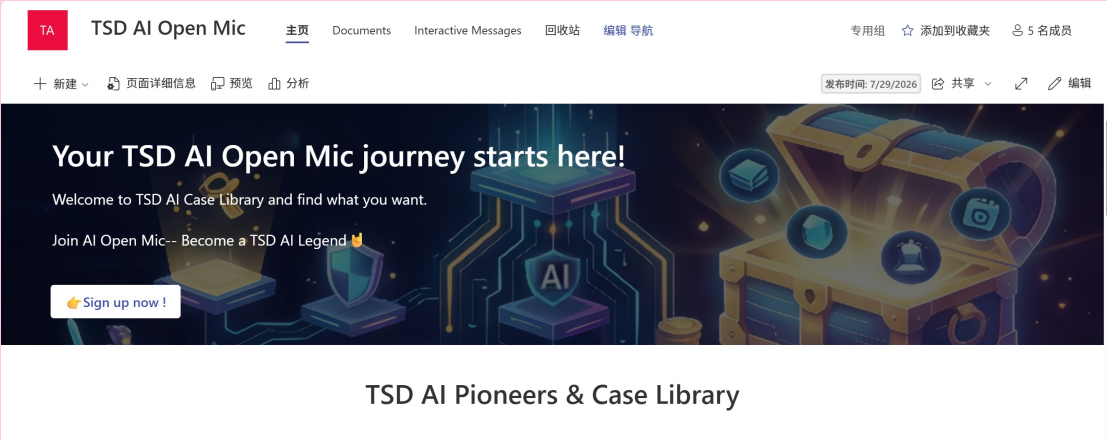

platform visits

8

course releases

5,000+

campaign impressions

LIVE → LEARN

01 PREPARE

Align topics and materials with speakers.

02 PROMOTE

Create bilingual posters, teasers and joining details.

03 PUBLISH

Edit recordings, package courses and update the platform.

04 DOCUMENT

Write a session overview and 4–5 key takeaways.

CLEAR. CONSISTENT. REUSABLE.

5 Enterprise deployment requires both business value and governance.

Beyond technical capabilities, the platform incorporates security, legal, and compliance reviews, while future enhancements include conversational interactions, document comparison, and memory-based user experiences.

在本次Session中，Sunil Kumar 分享了 Contract IQ——一个由人工智能驱动的文档智能平台，旨在帮助组织从合同及其他商业文档中提取、分析和管理关键信息。他介绍了与人工文档审阅相关的业务挑战，阐述了平台架构，演示了其功能，并讨论了未来的增强功能及企业级采纳考量。

Key Takeaways

1 Contract IQ 将文档管理从“存储”转变为“智能”。
该平台帮助组织快速识别关键信息，如义务条款、续约条款、服务水平协议（SLA）、罚则和合规要求，大幅减少人工审阅文档的工作量。

2 AI驱动的文档处理显著提升效率。
通过OCR（光学字符识别）、文档分块、语义搜索和大语言模型，Contract IQ 可在数秒或数分钟内完成大型文档的分析并提取关键洞察，而无需耗费数小时。

3 可靠性和可追溯性对于AI的采用至关重要。
该平台提供页码引用、行级引文、高亮源文本及置信度评分，使用户能够验证AI生成的结果，从而建立对输出的信任。

4 该解决方案面向业务用户设计，而不仅限于技术团队。
凭借基于浏览器的界面、对多种文档格式的支持以及零编码要求，用户可以轻松上传文档并检索所需信息。

5 企业级部署需要兼顾业务价值与治理。
除技术能力外，该平台还纳入了安全、法务和合规审查，未来的增强功能包括对话式交互、文档对比和基于记忆的用户体验。

English + Chinese summaries with accurate technical claims and consistent terminology, titles, speaker details and course descriptions.

Outputs: course introductions, event copy, meeting summaries and six employee-recognition posters.

JIUDAFU

Managed short-form content from topic and script to filming, editing, publishing and review. Supported livestream pacing and audience interaction.

FEEDBACK INTO ACTION

Completion informed stronger openings; interaction informed comment prompts; platform activity and performance informed publishing times.

ALKIMIA

BY MARMITON

Affordable DIY beauty for students and young adults facing rising personal-care costs.

PRODUCT

Skin/hair diagnosis, recipes matched to ingredients and time, stock/expiry tracking, community advice and student offers.

MY FOCUS

Turned research into audience profiles, a user journey and a multichannel launch plan.

CONCEPT PROJECT / NOT A LAUNCHED PRODUCT

Executive Summary

ALKIMIA
by marmiton

ESP Paris 2025-2026

Alkimia, l'alchimie naturelle qui simplifie la vie des étudiants

LA TEAM COSMOS

La créative, qui imagine et donne vie aux idées

Maria

L'organisatrice du digital, qui structure, optimise et fait avancer efficacement

Paulina

La cheffe de projet, qui pilote et coordonne avec vision

Ninon

La digitale, qui maîtrise les outils et développe la présence en ligne

Tianran

LE MARCHÉ

- Les étudiants et leurs achats de produits d'hygiène beauté: Face à l'inflation 54 % des étudiants réduisent leurs dépenses de soins personnels.
- La tendance croissante du DIY: 8,5 milliards, nombre de vues des contenus liés au "DIY beauty" sur les réseaux sociaux.
- 51 % de la communauté étudiante a moins de 50 € pour finir le mois.
- Près d'un Français sur deux limite ses achats de produits d'hygiène par manque d'argent

INSIGHT

Les étudiants sacrifient leur hygiène et leur bien-être à cause de l'inflation, mais cherchent activement des alternatives créatives et économiques sur les réseaux sociaux.

LE CONCEPT

Une plateforme de cosmétique "fait maison" conçue pour lever les trois freins étudiants : le budget, le temps et la sécurité. L'expérience est personnalisée grâce à un diagnostic de peau et de cheveux, afin de proposer des recettes adaptées à chaque profil.

- Accessibilité : Site responsive proposant des recettes DIY en moins de 15 minutes avec peu d'ingrédients.
- Économie circulaire : Fonctionnalité "Mon Stock Étudiant" pour utiliser ce qu'on a déjà et liste de courses optimisée.
- Sécurité & Accompagnement : Diagnostic personnalisé, suivi des dates de péremption et conseils de conservation validés.
- Communauté : Espace d'entraide avec avis et partage de bons plans entre étudiants.

Pourquoi Marmiton ?

- En tant que leader du "fait maison", Marmiton apporte la crédibilité et le savoir-faire nécessaires pour rassurer les étudiants sur la fiabilité des recettes cosmétiques.

Notre ambition est de rendre la cosmétique maison accessible, économique et adaptée au rythme de vie étudiant.

PARCOURS UTILISATEUR

PARCOURS UTILISATEUR: PREMIÈRE VISITE DU SITE WEB POUR ALKIMIA

ONE AUDIENCE. MANY TOUCHPOINTS.

WHO

Women aged 18–25 seeking reliable, affordable DIY beauty.

ACTIVATION

Creator partnerships, user content, seasonal campaigns and pop-ups.

DISCOVERY → DEPTH

TikTok + Instagram for discovery. Pinterest + YouTube for tutorials and long-term search.

REVENUE CONCEPT

Free core content; premium features, brand partnerships, ads and affiliate revenue.

CONTENT THAT CONNECTS.

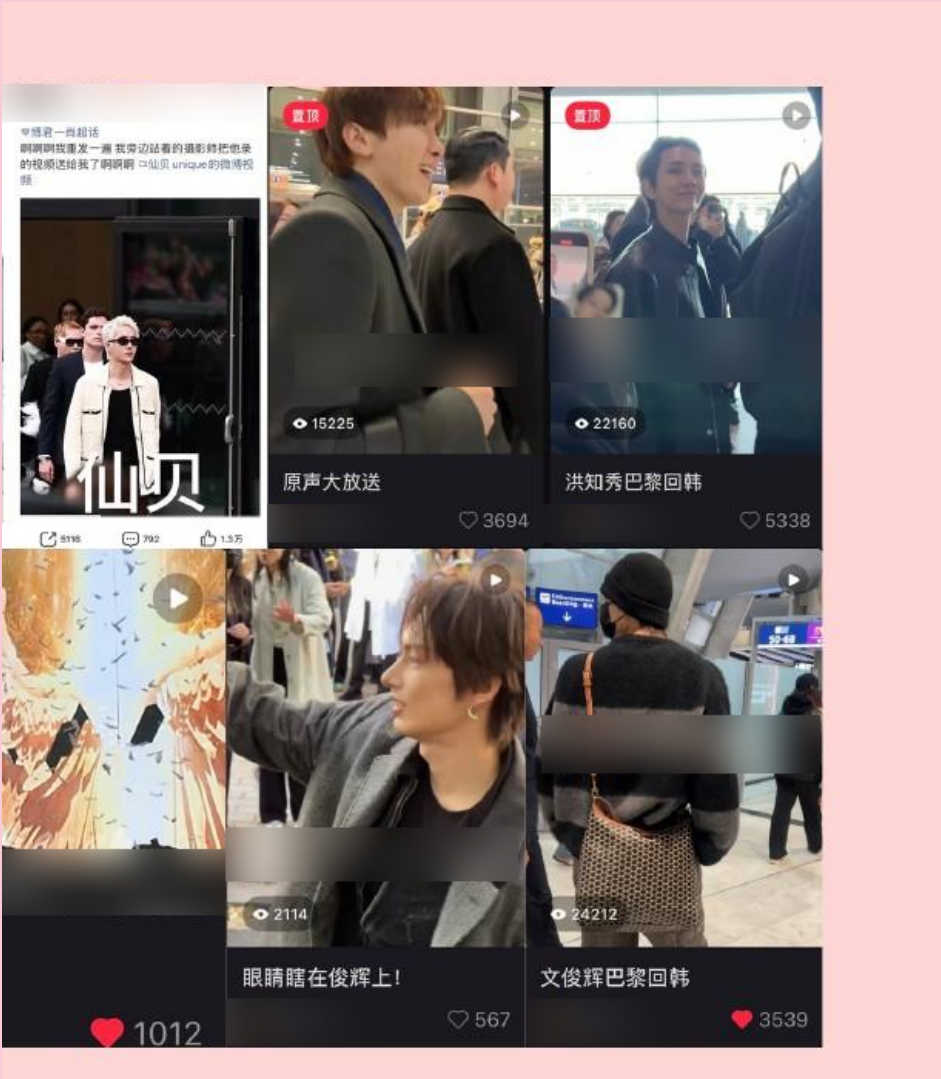

Entertainment content shaped through topic monitoring, information selection, post framing and publishing.

WHAT I LEARNED

Review topic, format and timing against audience response. Consistent metrics and comparable posts would support stronger analysis.

70+
published posts

1.39M+
highest single-post reach

Selected account posts / IDs masked

WHAT'S NEXT?

AI COMMUNICATION

Lenovo: bilingual learning resources that make technical sessions easier to revisit.

A FUTURE QUESTION

How do topic, format and timing relate to engagement?
Compare consistent metrics and alternative explanations.

AUDIENCE DATA

Build on reviews of completion, interaction and timing with systematic analysis.

STUDY DIRECTION

Develop data analysis and AI application skills grounded in digital content workflows.

THE TOOLKIT

CONTENT

Research, scripts, narrative structure and bilingual copy.

PRODUCTION

Filming, Premiere Pro, CapCut, Photoshop, InDesign and Canva.

ALSO: CHATGPT + MICROSOFT COPILOT

OPERATIONS

Accounts, distribution, trends and community interaction.

ANALYTICS

Views, completion, engagement, conversion and performance review.

LET'S CONNECT.
